

Who We Are

Welcome to The Ebony Arrington
Dazzle Dance Program!

This year, we're bringing our renowned
studio classes to your location for your
convenience.

What is Ebony Arrington Dazzle Dance?

We offer Ballet, Creative Movement,
and jazz dance classes for children ages
2 and up (all genders welcome). Our
classes mix these dance styles using
various beats and high-energy music.

Students learn choreography
throughout the year and showcase
their moves at our recitals!

Our show-stopping costumes set
Dazzle Dance apart, guaranteeing big
smiles and lots of fun in every class!
Students are grouped by age, and our
staff customizes each class to suit their
needs. We know it takes a village, and
we are committed to being part of
yours!

Dazzle Dance offers classes at schools,
daycares, preschools and camps
making it easy for families to enjoy a
full dance program in a comfortable
and convenient location.

Our instructors travel around the city
to bring our top-notch dance program
to enrolled children. They gather all
enrolled children for a high-energy
dance class during their regular day.
After class, (if requested) we walk the
dancers back to their classrooms.

Dazzle Dance Day will quickly become
the favorite day of the week! This
program allows children to dance with
friends during the day leaving your
evenings free.
